

MIKE TANG

EXPERIENCE

Posterus

Remote, New York, NY
07/2015 - Present

Founder, Product Designer

Currently designing and developing the alpha version of Posterus with an intent to dramatically improve access to education around the world.

Kuddly

Remote
12/2014 - 03/2015

Freelance Product Designer

Lead design efforts for Kuddly's branding, Android app, and iOS app. Helped shape Kuddly's visual identity, product vision, and user experience in preparation for its first product launch.

Doblet

Remote, San Francisco, CA
06/2014 - 06/2015

Product Designer, Front End Developer

Lead design efforts across all platforms (web, iOS, Android). Developed the front end interface of Doblet's website on top of a Ruby on Rails back end.

Intuit

San Francisco, CA
03/2013 - 10/2014

Front End Developer

Designed interactions and built responsive interfaces that improved the user experience of Intuit Demandforce's website. Lead efforts to restructure the website's information architecture and streamline user flow.

The Energy Coalition

Los Angeles, CA
09/2010 - 02/2013

User Experience Designer, Visual Designer, Web Developer

Sole in-house UX designer, web developer, and designer researcher for The Energy Coalition's website redesign project. Designed all visual elements for marketing and branding - icons, colors, typography, vector illustration, and layout design.
